

NCCEOP'S TRIO DAY

Date:

Saturday, February 25

Location:

**Livingstone College
Salisbury, NC**

Event Time: 12—2 pm

**YOU'RE
INVITED!**

Please join the North Carolina TRiO community in honoring TRiO Day, our National Day of Service, by collecting donations and/or bringing your program's staff and students to participate in a day of service at Livingstone College.

Volunteers should collect and/or bring new or gently used books for children ages birth through Grade 5, as well as crayons, pencils, letter blocks, letter/number fridge magnets, small notebooks or composition notebooks for our LITERACY DRIVE benefitting Smart Start Rowan, and use the website below to register all staff and students as volunteers. **All volunteers who donate OR attend should register on the site.**

For this day of service, NCCEOP is listed as an organization on the Coca Cola Bottling Co. Consolidated *Serve Your City* website, and the organization with the most registered volunteers will win a \$2,500 grant! Your participation could help bring scholarship funds to TRiO students in North Carolina!

Registration is easy and can be done once as a group with an estimated number of volunteers. Registration closes on 2/18/17.
